Dear:

Holmes P. Harden.

I am writing to you in regards to a bankruptcy claim, with I.H.I. When I invested my money with this company, we were told nothing but Lie after Lie. After one week of being in this organization, I knew it was a big mistake. I had always dealt with the American office in Raleigh, North Carolina. There were never any dealings with the Canada office at any time.

Maybe we should just say good bye to my money and move on, but that is not the case. It is about right & wrong. This people set out to willingly cheat other's, by misleading them with, no truth or honesty, just Lies.

You see I'm fifty years of age, in 1988 I had two strokes, witch took most of my eye sight & the use of my right arm.

Through all of the years, I have never given up on myself, I continue to work and support myself. To this day I have not

taken any help from Gov. programs, as long as I am able to work from my home I will.

We truly felt that I.H.I. would have been a business, I could do from home. It didn't take me long to find out that this outfit was not on the up & up. We phoned the office many times to get our money back but got no where.

At the end of it all, we were told to send all of the paper work in to the court, and bankruptcy office, to file a claim of \$1786.45. hoping to get it back.

On Oct 19/2007 we recieved this letter from your office, saying we had until Nov 26 to have this, relook at.

Being unable to come to the hearing, I, would still like to try one last time to hopefully recieve my money back. This amount of money is probably nothing to the court or lawyers, but to me it's a lot, and could go a long ways.

I have a communitec helper writing this letter for me, because I my not do it myself.

Thankyou for taking the time to read my letter, you probably have hundreds of claims to look at. Take care

Happy Thanks Giving

Carol A Robbins
